CHIEF JUSTICE

COMMONWEALTH OF KENTUCKY  
COURT OF JUSTICE  
SIXTEENTH JUDICIAL DISTRICT  
KENTON DISTRICT COURT

GENERAL ORDER 2007 - \_\_\_\_\_

GENERAL ORDER APPROVING ADOPTION OF AMENDMENT TO THE  
UNIFORM LOCAL CRIMINAL RULES OF KENTON COUNTY  
RELATED TO THE ESTABLISHMENT OF A NON-FELONY  
CRIMINAL DIVERSION PROGRAM

Pursuant to the Uniform Local Criminal Rules of Kenton County, the Judges of the Kenton District Court, sitting in General Term, do hereby approve for adoption the following amendment to the Uniform Local Criminal Rules of Kenton County and do hereby recommend to the Kentucky Supreme Court the adoption of such rule to wit:

ULCr RULE 11.06 NON-FELONY DIVERSION PROGRAM

I. ELIGIBILITY REQUIREMENTS

- A. All persons charged in District Court with the commission of a misdemeanor or violation shall be eligible for participation in the Diversion Program, as an alternative to criminal prosecution, subject to the following conditions and exceptions:
1. Except as provided in subsection B and C, a prior conviction for a felony offense, misdemeanor offense or violation, shall preclude eligibility.
  2. Prior convictions for violations of traffic regulations under KRS Chapters 186 and 189 shall not preclude eligibility. A prior conviction for DUI will preclude eligibility.
  3. Except as provided in subsection C, a person charged with a violent/assaultive crime shall not be eligible for participation in the Diversion Program
  4. Except as provided in subsection C, a person charged with violation of the public trust, under KRS Ch. 522 shall not be eligible for participation in the Diversion Program

5. Except as provided in subsection C, a person charged with violating any traffic regulation under KRS Ch. 186, 189, 189A, shall not be eligible for participation in the Diversion Program.
  6. Except as provided in subsection C, a person who has previously participated in the Diversion Program in this County or any other jurisdiction within or without the Commonwealth of Kentucky shall not be eligible for participation in the Diversion Program.
- B. Where a person is charged with an offense of public intoxication under KRS 525.100 or alcohol intoxication under KRS 222.202, and that person has one or more prior convictions for alcohol-related offenses other than DUI, and where it appears from the person's record and history that his or her criminal activity is related to the disease of alcoholism or drug addiction, that person will be considered eligible for participation in the program notwithstanding his or her prior conviction. A prior conviction for DUI will preclude eligibility.
  - C. Where reasons of an extraordinary nature are presented which warrant consideration of a person for participation in the Program, notwithstanding his/her lack of eligibility by virtue of one or more of the above set out exclusions, that person may be considered eligible for participation in the Program by the trial judge.
  - D. A diversion report shall be prepared by the Pretrial Service Office of the court and such report shall contain basic pretrial information, record of any past offenses and convictions, record of any prior participation in the diversion program or other similar program, employment status, length of residence in the area, and any other information necessary to determine eligibility and appropriateness of approval to participate in the Diversion Program.

Prior to approval for participation in the Diversion Program the diversion report shall be made available to the County Attorney, the Trial Judge, and the Defendant.
  - E. Nothing in this rule shall be deemed to limit the authority of the County Attorney to withdraw criminal prosecution in any given case.

## II. APPROVAL FOR PARTICIPATION

- A. Upon the consent of both the County Attorney and the accused, the trial judge shall approve participation in the Diversion Program for any individual who meets the eligibility requirements established in Section I above unless the trial judge is of the opinion that diversion is inappropriate because:

1. There is a substantial risk that the defendant will abscond from the jurisdiction of the court prior to fulfillment of the terms of the Diversion Contract.
  2. There is a substantial risk that the defendant will commit another crime prior to fulfillment of the terms of the Diversion Contract.
  3. That the defendant is in need of correctional treatment that can be provided most effectively by commitment to the county jail.
  4. That participation in the Diversion Program would unduly depreciate the seriousness of the defendant's crime
- B. Consent of the County Attorney to the person's participation in the Diversion Program shall not be unreasonably withheld. If the County Attorney refuses to consent to the person's participation in the Diversion Program, he/she shall state on the record the reasons therefore.
- C. Upon approval for participation in the Diversion Program, the accused must sign a statement waiving his/her right to a speedy trial. Prior to signing such statement the accused shall be given the opportunity to consult with an attorney if he/she so desires.
- D. Prior to approval for participation in the Diversion Program, the Pretrial Services Office shall present to the trial judge the comments and opinions, if any, of the arresting officer and/or victim of the alleged crime regarding the nature of the offense, the appropriateness of diversion, and the suggested terms of the Diversion Contract. While not binding on the trial judge, such comments and opinions, if any, shall be considered by the trial judge in determining approval for participation in the Diversion Program.
- E. Participation by an accused in the Diversion Program shall not constitute an admission or presumption of guilt of the crime charged, and shall not be proof of guilt in any subsequent legal action; nor shall a Divertee be required to give a confession or admission of guilt. However, nothing contained in this paragraph shall alter or affect the Divertee's obligation to perform all the terms of the Diversion Contract, including restitution, where agreed to.
- F. All records of the Diversion Program, and all statements made by the accused to the diversion officer regarding the offense for which the accused was placed on diversion shall be privileged, shall not be admissible or discoverable for any purpose, shall be exempt from subpoena, and shall be deemed confidential except for the program staff, the trial judge, and the chief district judge, for purposes of program review, monitoring and supervision, and shall not be released to any other person or entity without prior written consent of the chief district judge and the accused. However, nothing in this paragraph shall be deemed to prohibit release of information

to the victim of a crime regarding an accused's participation in the Diversion Program.

- G. Upon approval for participation in the Diversion Program, the County Attorney shall present to the trial judge any special terms, if any, which he/she believes should be included in the Diversion Contract, or which the arresting officer and/or victim have requested to be included in the Diversion Contract. While such requests are not binding on the trial judge, they shall be considered by him/her when approving the Diversion Contract.
- H. Upon approval for participation in the Diversion Program, the trial judge shall note on the Court docket any special terms, which he/she is requiring to be included in the Diversion Contract.

### **III. THE DIVERSION CONTRACT**

- A. Upon approval of participation in the Diversion Program, the accused shall meet with a Diversion Officer to establish and agree to a formal contract, which will specify the conditions required, the referral services to be used, the length of the contract, and the need, if any, for the accused to make required restitution or perform community service. The contract shall be presented for final approval to the trial judge, and upon its final approval, the terms of diversion shall commence. The Diversion Contract shall contain any special terms required by the trial judge.
- B. The normal contract on each accused shall be for a period of not more than six (6) months, unless lengthened by the trial judge.
- C. The Divertee must comply with all provisions of the Diversion Contract. Violation of contract provisions will subject the individual to termination of diversion participation, and reinstatement of criminal prosecution.
- D. At any time the Divertee may voluntarily choose to be terminated from the Diversion Program by submitting a written statement indicating same. Where the termination is prior to the expiration of the contract period and without the consent of the Diversion officer, the Diversion Officer shall refer the case to the County Attorney for prosecution. If the accused does not comply with conditions of his/her Diversion Contract, the trial judge may enter an order terminating the accused's participation in the program or direct the resumption of the Divertee's participation in the Diversion process and reinstatement of the Diversion Contract, with any modifications offered by the judge.

As with the original Diversion Contract, the accused must agree to the contract modifications, if any, prior to reinstatement.

- E. Upon termination for non-compliance, the County Attorney may initiate prosecution of the accused upon the original criminal charge(s).
- F. Upon successful completion of the Diversion Contract the formal criminal charge, out of which the Diversion Contract arose, shall be formally and fully dismissed, and all official records of said charge shall bear the notation that said charge was dismissed with prejudice.

**IV. FEES**

The fee for participation in the Program shall be in an amount set by the Director of the Administrative Office of the Courts. The court may assess the fee on a sliding scale based upon ability to pay or waive the fee entirely in the case of indigence.

## **GENERAL CIVIL RULES - CIRCUIT COURTS**

### **RULE 3. ORGANIZATION OF THE CIRCUIT COURTS**

A. The Boone and Gallatin Circuit Courts are Courts of continuous session operating as a Multi-County One Judge Circuit.

**B. The Campbell Circuit Court** is a Court of continuous session, and the Court shall consist of two numbered divisions, namely: Division One and Division Two. Each Judge of a Division may preside and hear and determine any case or questions in any other Division when the Judge of that Division is ill or absent from the county, or is not available, or with the Judge of that Division's concurrence.

**C. The Kenton Circuit Court** is a Court of continuous session, and the Court shall consist of four numbered divisions, namely: First Division, Second Division, Third Division and Fourth Division. In addition, the clearly legible typewritten name, address, Kentucky Bar Association number and party representation of such attorney, the office telephone number including area code, shall appear as a portion of the signature block.

**B. Appearance of Counsel.**

**RULE 5. MOTION PRACTICE (NON-DOMESTIC);**

**MOTION DAYS (DOCKET)**

**Motion Practice - General.**

Failure to do so may be grounds for denying the motion. A courtesy copy of the motion and all attachments shall be delivered to the office of the Judge before whom the motion will be heard. Delivering of this copy shall coincide with the day of the filing of such motion with the Clerk's office.

**B. *Motions for Extension of Time.*** Parties may by agreed order extend time limits on an individual case by case method required by the CR or by these rules, subject to any deadlines established by the Court. However, the Court must grant all extensions of time, even though the parties have agreed. If a request for an extension of time is opposed, the party seeking the extension shall file a motion setting forth the reasons why an extension is necessary together with a tendered

order granting the motion. The party opposing the motion shall respond within five (5) days of service of the motion, setting forth the reasons why the requested extension should not be granted.

The moving party shall attach to the motion a certification of counsel that counsel have conferred and that they have been unable to resolve their differences. The certification should detail the attempts of counsel to resolve the dispute.

All reports requiring confirmation shall be placed on this Docket. The Clerk shall cause to be made available, copies of such Docket in advance of the Motion Docket which is the subject of said Docket. Additionally, the Clerk shall mail a copy of said Docket to any attorney who has provided the Clerk with a self-addressed and stamped envelope for that purpose.

F. *Publication Not Equivalent to Service.* Publication in the Motion Docket Bulletin shall not be deemed service as is required by CR 5.01 et seq.

13. No Motion shall be filed with a notice that it will be heard at the "convenience of the Court," with the exception of a motion asking for a permanent change of custody of a minor child or children. If no appeal is taken within the time and in the manner specified therefor, the Court shall enter judgment of such award. In the event that a case has been settled or dismissed within said 24 hour period, the Chairperson shall be entitled to receive a Fifty (\$50.00) Dollar fee. **LOCAL CRIMINAL RULES--BOONE DISTRICT COURT**  
**ULCr Rule 60. BOONE DISTRICT COURT LOCAL RULE FOR**  
**MEDIATION UPON CRIMINAL COMPLAINT**

**A.** Private citizens who wish to obtain criminal process or otherwise register a complaint within Boone County shall provide any person authorized to take criminal complaints with a written and sworn affidavit for a criminal complaint.

**B.** The County Attorney and his assistants shall have the discretion to screen all affidavits and determine whether the dispute is appropriate for submission to the mediation program. If mediation is appropriate no criminal process shall be issued.

**C.** The affidavit shall be forwarded to the mediation officer(s) who shall be responsible for explaining the mediation process to the complainant and notifying the respondent of the date, time and location of the mediation hearing.

**D.** The mediation hearing shall be informal and shall not be legally binding or enforceable. Records of the hearing procedures and statements made during the hearing shall be privileged and shall not be admissible or discoverable for any purpose. However, the records and accumulated data respecting the mediation program may be utilized for the purpose of monitoring and evaluating the program.

**E.** The informal and voluntary nature of mediation hearings limits the scope of the hearing officer's authority to establish non-binding agreements between the disputants. The role and function of the hearing officer is such that he/she is not an officer of the court, is not

authorized to issue process and is not acting as or performing the duties of judge.

**F.** If either the complainant or the respondent is dissatisfied with the results of the mediation hearing, or if either party refuses to submit to a voluntary settlement agreement, or if the agreement is subsequently unfulfilled, the hearing officer will refer the complainant to the County Attorney's office with the affidavit for consideration of issuance of a criminal complaint.

**G.** Any agreement accomplished between the parties is voluntary. Compliance with the agreement is not legally enforceable by either party, the mediation program or the courts. Relief for non-compliance with the mediation agreement is effected only through initiation of court process as described in rule F above.

**H.** All records of the mediation program shall be privileged and exempt from subpoena and will be deemed confidential except for the program staff and the Chief District Judge for purposes of program review and supervision and will be released to no other person or agency without the written consent of the parties to the dispute or as provided in paragraph D above.

**I. Restitution Authorized in Appropriate Circumstances.** Restitution is considered appropriate and permissible in circumstances wherein the complainant and respondent voluntarily agree that restitution is applicable and further agree to the amount and schedule of payment. The hearing officer will be particularly alert to prevent abuse of the restitution option by either participant.

**J. Community Service Work Alternative.** In circumstances wherein restitution is appropriate and voluntarily agreed upon by both parties but where indigency prevents payment of restitution, community service work is an appropriate alternative to restitution. Community service work may be a part of any mediation agreement when appropriate and voluntarily agreed upon by

both parties.

K. The policies and procedures controlling the Boone County Mediation Program will be formalized through the issuance of these court rules, court rules promulgated by the Supreme Court, and through day to day review of the program by the County Attorney and the Chief District Judge. Procedures will not be adopted or implemented unless submitted by the Chief District Judge and approved by the Chief Justice.

**LOCAL CRIMINAL RULES--CAMPBELL DISTRICT COURT**

**ULCr Rule 61. CAMPBELL DISTRICT COURT LOCAL RULE**

**FOR MEDIATION UPON CRIMINAL COMPLAINT**

A. Private citizens who wish to obtain criminal process or otherwise register a complaint within Campbell County against another person (including juveniles) shall be afforded the opportunity to voluntarily select, in lieu of criminal prosecution, the option of submitting the dispute to an informal pretrial conference wherein mediation of the complaint will be attempted. The various options of utilizing an arrest warrant, a summons or an invitation to mediation will be thoroughly explained to the complainant by an intake screening officer, whether the office of County Attorney or the Court Designated Worker. The choice of Court process rather than informal mediation shall be decided by the complainant; however, review of the facts involved in the complaint for probable cause shall remain the prerogative of the Prosecutor and the Court.

B. At the time a citizen requests criminal process be issued or indicates the intent to file a complaint, the mediation intake officer will compile a summarization of the allegations involved and will (a) issue a letter to the respondent establishing time, date and location if a mediation hearing is selected; (b) refer the summary and the complainant to the County Attorney's Office if mediation is

not elected and it appears there is not sufficient grounds to issue process; (c) prepare a criminal summons or arrest warrant if Court prosecution is indicated and submit the process along with the summary to the County Attorney's Office for review and signature.

C. Participation in the mediation hearings is voluntary on the part of the complainant and the respondent, will be informal and shall not be legally binding or enforceable. Records of the hearing procedures and statements made during the hearing shall be privileged and shall not be admissible or discoverable for any purpose. However, the records and accumulated data respecting the mediation program may be utilized for the purpose of monitoring and evaluating the program.

D. The informal and voluntary nature of mediation hearings limits the scope of the Hearing Officer's authority to establishing non-binding agreements between the disputants. The role and function of the Hearing Officer is such that he is not an officer of the Court, is not authorized to issue process and is not acting as or performing the duties of a Judge.

E. If either the complainant or the respondent is dissatisfied with the results of the mediation hearing, or if either party refuses to submit to a voluntary settlement agreement, or if the agreement is subsequently unfulfilled, the Hearing Officer will refer the complainant back to an Intake Officer for consideration of the issuance of process. The Intake Officer will consult with the County Attorney to determine if Court action should initiate on the case.

F. If, after a mediation hearing, either the complainant or the respondent is dissatisfied with the mediation proceedings or results, either party to the dispute may request that the case be referred to the Courts for a formal hearing. The dissatisfied party shall be referred to an Intake Officer who shall accompany the party to the County Attorney's Office for the purpose of probable cause review of the complaint and the issuance of Court process in appropriate cases. Both the

complainant and the respondent shall be advised of the option of requesting Court action at any stage of the mediation process.

**G.** Any agreement accomplished between the complainant and the respondent is voluntary. Compliance with the agreement is not legally enforceable by either party, the mediation program or the Courts. Relief for non-compliance with the mediation agreement is effected only through initiation of Court process as described in Rule F above.

**H.** All records of the mediation program shall be privileged and exempt from subpoena and will be deemed confidential except for the program staff and the Chief District Judge for purposes of program review and supervision and will be released to no other person or agency without the written consent of the parties to the dispute or as provided in paragraph C above.

**I. Restitution authorized in appropriate circumstances.** Restitution is considered appropriate and permissible in circumstances wherein the complainant and respondent voluntarily agree that restitution is applicable and further agree to the amount and schedule of payment. The Hearing Officer will be particularly alert to prevent abuse of the restitution option by either participant.

**J. Public Service work alternative.** In circumstances wherein restitution is appropriate and voluntarily agreed upon by both parties but where indigency prevents the accomplishment of a reasonable payment agreement, the alternative of public service work is appropriate for consideration by the parties.

**K.** The policies and procedures controlling the mediation program will be formalized through the issuance of these court rules, court rules promulgated by the Supreme Court, and through day to day review of the program by the County Attorney and the Chief District Judge. Procedures

will not be adopted or implemented unless submitted by the Chief District Judge and approved by the Chief Justice.

1. Except as provided in subsection B and C, a prior conviction for a felony offense, misdemeanor offense or violation, shall preclude eligibility.
2. Prior convictions for violations of traffic regulations under KRS Chapters 186 and 189 shall not preclude eligibility. A prior conviction for DUI will preclude eligibility.

3. Except as provided in subsection C, a person charged with a violent/assaultive crime shall not be eligible for participation in the Diversion Program.

4. Except as provided in subsection C, a person charged with violation of the public trust, under KRS Ch. 522 shall not be eligible for participation in the Diversion Program.

A prior conviction for DUI will preclude eligibility.

**C.** Where reasons of an extraordinary nature are presented which warrant consideration of a person for participation in the Program, notwithstanding his/her lack of eligibility by virtue of one or more of the above set out exclusions, that person may be considered eligible for participation in the Program by the trial judge.

**D.** A diversion report shall be prepared by the Pre-trial Service office of the court and

such report shall contain basic pretrial information, record of any past offenses and convictions, record of any prior participation in the diversion program or other similar program, employment status, length of residence in the area, and any other information necessary to determine eligibility and appropriateness of approval to participate in the Diversion Program.

E. Nothing in this rule shall be deemed to limit the authority of the County Attorney to withdraw criminal prosecution in any given case.

Nothing in this rule shall be deemed to limit the ability of the County Attorney to implement policies and procedures regarding alternatives to criminal prosecution for individuals who are alleged to have violated the law but who have not been brought before the Court.

## **II. APPROVAL FOR PARTICIPATION**

A. Upon the consent of both the County Attorney and the accused, the trial judge shall approve participation in the Diversion Program for any individual who meets the eligibility requirements established in Section I above unless the trial judge is of the opinion that diversion is inappropriate because:

1. There is a substantial risk that the defendant will abscond from the jurisdiction of the court prior to fulfillment of the terms of the Diversion Contract.
2. There is a substantial risk that the defendant will commit another crime prior to fulfillment of the terms of the Diversion Contract.
3. That the defendant is in need of correctional treatment that can be provided most effectively by commitment to the county jail.

**D.** Prior to approval for participation in the Diversion Program, the Pretrial Services Office shall present to the trial judge the comments and opinions, if any, of the arresting officer and/or victim of the alleged crime regarding the nature of the offense, the appropriateness of diversion, and suggested terms of the Diversion Contract. While not binding on the trial judge, such comments and opinions, if any, shall be considered by the trial judge in determining approval for participation in the Diversion Program.

**E.** Participation by an accused in the Diversion Program shall not constitute an admission or presumption of guilt of the crime charged, shall not be proof of guilt in any subsequent legal action nor shall a Divertee be required to give a confession or admission of guilt. However, nothing contained in this paragraph shall alter or affect the Divertee's obligation to perform all the terms of the Diversion Contract, including restitution, where agreed to.

**F.** All records of the Diversion Program, and all statements made by the accused to the diversion officer regarding the offense for which the accused was placed on diversion shall be privileged, shall not be admissible or discoverable for any purpose, shall be exempt from subpoena,

and shall be deemed confidential except for the program staff, the trial judge, and the chief district judge, for purposes of program review, monitoring and supervision and shall not be released to any other person or entity without prior written consent of the chief district judge and the accused. However, nothing in this paragraph shall be deemed to prohibit release of information to the victim of a crime regarding an accused's participation in the Diversion Program.

**G.** Upon approval for participation in the Diversion Program, the county attorney shall present to the trial judge any special terms, if any, which he/she believes should be included in the Diversion Contract, or which the arresting officer and/or victim have requested to be included in the Diversion Contract. While such requests are not binding on the trial judge, they shall be considered by him/her when approving the Diversion Contract.

**H.** Upon approval for participation in the Diversion Program, the trial judge shall note on the Court docket any special terms which he/she is requiring to be included in the Diversion Contract.

### **III. THE DIVERSION CONTRACT**

**A.** Upon approval of participation in the Diversion Program, the accused shall meet with a Diversion Officer to establish and agree to a formal contract which will specify the conditions required, the referral services to be used, the length of the contract, and the need, if any, for the accused to make required restitution or perform community service. The contract shall be presented for final approval to the trial judge, and upon its final approval, the terms of diversion shall commence. The Diversion Contract shall contain any special terms required by the trial judge.

**B.** The normal contract on each accused shall be for a period of not more than 6 months, unless lengthened by the trial judge.

C. The Divertee must comply with all provisions of the diversion contract. Violation of contract provisions will subject the individual to termination of diversion participation, and reinstatement of criminal prosecution.

D. At any time the Divertee may voluntarily choose to be terminated from the Diversion Program by submitting a written statement indicating same. Where the termination is prior to the expiration of the contract period and without the consent of the Diversion officer, the Diversion Officer shall refer the case to the County Attorney for prosecution. If the accused does not comply with conditions of his/her Diversion Contract, the trial judge may enter an order terminating the accused's participation in the program or direct the resumption of the Divertee's participation in the Diversion process and reinstatement of the Diversion contract, with any modifications ordered by the judge.

As with the original Diversion Contract, the accused must agree to the contract modifications, if any, prior to reinstatement.

E. Upon termination for non-compliance, the County Attorney may initiate prosecution of the accused upon the original criminal charge(s).

F. Upon successful completion of the Diversion Contract the formal criminal charge, out of which the Diversion Contract arose, shall be formally and fully dismissed, and all official records of said charge shall bear the notation that said charge was dismissed with prejudice.

GENERAL ORDER APPROVING ADOPTION OF AMENDMENT TO THE  
UNIFORM LOCAL CRIMINAL RULES OF KENTON COUNTY RELATED  
TO THE ESTABLISHMENT OF GUIDELINES FOR THE USE OF  
PRIVATE PROBATION COMPANIES FOR MISDEMEANOR  
AND TRAFFIC OFFENDERS

---

Pursuant to the Uniform Local Criminal Rules of Kenton County, the Judges of the Kenton District Court, sitting in general term, do hereby approve for adoption the following amendment to the Uniform Local Criminal Rules of Kenton County and hereby recommend to the Kentucky Supreme Court the adoption of such Rule, to wit;

ULCr RULE 11.07 - GUIDELINES FOR THE USE OF  
PRIVATE PROBATION COMPANIES

I. PURPOSE

While the court encourages that probation services be performed by governmental or non-profit agencies or volunteers, the court recognizes that these services are not always available and thus to provide for the efficient operation of the court, private probation companies may be the only way to provide needed assistance in certain cases.

In employing the use of private probation companies, the court recognizes that guidelines are needed to assure that public resources are managed efficiently and that no unfair advantage is

given, and to assure that the private probation company is an independent contractor selected by the court for a limited purpose and is not an agent, servant or employee of the court.

## II. SCOPE OF RULE

This Rule shall apply to any private, for profit probation company supervising misdemeanor or traffic offenders convicted in the Kenton District Court and whose sentence includes alternatives to incarceration or fine provided, however, that it does not apply to programs licensed by the Cabinet for Health Services (CHS) as DUI alcohol/drug education/treatment programs.

## III. TERMS

A. No judge of the Kenton District Court shall refer a misdemeanor or traffic offender to a private probation company for supervision unless that private probation company has been approved to provide services to the court by general order.

B. No private probation company shall be approved to provide services to the court;

1. Unless it first provides and keeps current on an annual basis proof of liability insurance in an amount to be determined sufficient by the Chief Justice of the Kentucky Supreme Court;

2. If any judge of the Kenton District Court, spouse of any judge of the Kenton District Court or child residing in the household of any Judge of the Kenton District Court, has an individual or fiduciary financial interest in such company;

3. If any principal officer, director or trustee or spouse of said officer, director or trustee is related by blood or marriage within the third degree of relationship to any Kenton District Judge or the spouse of any Kenton District Judge;

4. Unless it first agrees, in writing, to accept pro bono referrals from the court on a proportional basis with all other private probation companies providing approved services to the Kenton District Court;

5. Unless it first provides the court with a written schedule of fees to be charged, such schedule to include a sliding scale fee schedule for indigent defendants based upon their ability to pay; and,

6. Unless it first agrees, in writing, to assess fees in strict conformity with the fee schedule submitted to the court and approved by the court.

C. In utilizing the services of private probation companies to supervise misdemeanor or traffic offenders, the Kenton District Court shall;

1. Assure that the private probation company shall have no discretion as to the terms or conditions of probation, including, but not limited to the condition of or amount of restitution;

2. Assure that the private probation company shall not collect any fines, fees and court costs for the Court and assure that the private probation company shall not

collect restitution provided, however, that the private probation company shall be permitted to assist/monitor and report to the court the status of payment of same;

3. Approve all fees to be charged by the private probation company and assure that all fees actually charged are in compliance with the approved schedule of fees;

4. Assure that no employees of the private probation company are seated in the courtrooms of the Kenton District Court within the bar;

5. Assure that the terms of probation or conditional discharge are clearly stated on the court's docket or other forms provided by the Administrative Office of the Courts and not on the forms of the private probation company;

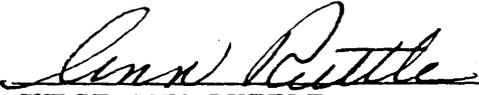

6. Assign pro bono cases proportionately to all private probation companies approved to provide services to the court; and

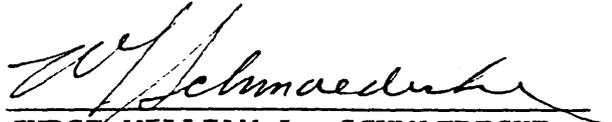

7. Require that all private probation companies report to the court on a monthly basis all pro bono cases referred to such company by the court and whether such company accepted or rejected such pro bono referral and, if rejected, the reasons for such rejection.

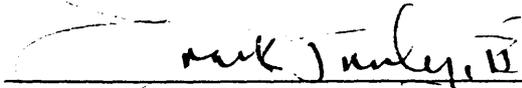

D. Non-compliance with this order by any private probation company shall constitute grounds for denial or rescinding approval

for the private probation company to provide services to the Kenton District Court.

## COURT RULES

### Mediation

1. Private citizens who wish to obtain criminal process or otherwise register a complaint within Kenton County against another person shall be afforded the opportunity to voluntarily select, in lieu of criminal prosecution, the option of submitting the dispute to an informal pretrial conference wherein mediation of the complaint will be attempted. The various options of utilizing an arrest warrant, a summons or an invitation to mediation will be thoroughly explained to the complainant by an intake screening officer. The choice of Court process rather than informal mediation shall be decided by the complainant; however, review of the facts involved in the complaint for probable cause shall remain the prerogative of the Prosecutor and the Court.

2. At the time a citizen requests criminal process be issued or indicates the intent to file a complaint, the mediation intake officer will compile a summarization of the allegations involved and will (a) issue a letter to the respondent establishing time, date and location if a mediation hearing is selected; (b) refer the summary and the complainant to the County Attorney's Office if mediation is not elected and it appears there is not sufficient grounds to issue process; (c) prepare a criminal summons or arrest warrant if Court prosecution is indicated and submit the process along with the summary to the County Attorney's Office for review and signature.

3. Participation in the mediation hearings is voluntary on the part of the complainant and the respondent, will be informal and shall not be legally binding or enforceable. Records of the hearing procedures and statements made during the hearing shall be privileged and shall not be admissible or discoverable for any purpose. However, the records and accumulated data respecting the mediation program may be utilized for the purpose of monitoring and evaluating the program.

4. The informal and voluntary nature of mediation hearings limits the scope of the Hearing Officer's authority to establishing non-binding agreements between the disputants. The role and function of the Hearing Officer is such that he is not an officer of the Court, is not authorized to issue process and is not acting as or performing the duties of a Judge.

5. If either the complainant or the respondent is dissatisfied with the results of the mediation hearing, or if either party refuses to submit to a voluntary settlement agreement, or if the agreement is subsequently unfulfilled, the Hearing Officer will refer the complainant back to an Intake Officer for consideration of the issuance of process. The Intake Officer will consult with the County Attorney to determine if Court action should initiate on the case.

6. If, after a mediation hearing, either the complainant or the respondent is dissatisfied with the mediation proceedings or results, either party to the dispute may request that the case be referred to the Courts for a formal hearing. The dissatisfied party shall be referred to an Intake Officer who shall accompany the party to the County Attorney's Office for the purpose of probable cause review of the complaint and the issuance of Court process in appropriate cases. Both the complainant and the respondent shall be advised of the option of requesting Court action at any stage of the mediation process.

7. Any agreement accomplished between the complainant and the respondent is voluntary. Compliance with the agreement is not legally enforceable by either party, the mediation program or the Courts. Relief for non-compliance with the mediation agreement is effected only through initiation of Court process as described in Rule 6 above.

8. Records of mediation proceedings, summaries of original complaints and agreements between the disputants shall be destroyed following successful completion of the mediation agreement or six months after the date of

the original complaint, whichever occurs first. The only exemption from this destruction order is a 4 x 6 cross index card file containing the names of complainant and respondent, the date of complaint and the final disposition. All records of the mediation program shall be privileged and exempt from subpoena and will be deemed confidential except for the program staff and the Chief District Judge for purposes of program review and supervision and will be released to no other person or agency without the written consent of the parties to the dispute or as provided in paragraph 3 above.

9. Restitution authorized in appropriate circumstances.

Restitution is considered appropriate and permissible in circumstances wherein the complainant and respondent voluntarily agree that restitution is applicable and further agree to the amount and schedule of payment. The Hearing Officer will be particularly alert to prevent abuse of the restitution option by either participant.

10. Public Service work alternative.

In circumstances wherein restitution is appropriate and voluntarily agreed upon by both parties but where indigency prevents the accomplishment of a reasonable payment agreement, the alternative of public service work is appropriate for consideration by the parties.

11. The policies and procedures controlling the actions of the mediation program will be formalized through the issuance of these Court rules, Court rules promulgated by the Supreme Court and through day to day review of the program by the County Attorney and by the Chief District Judge. Procedures will not be adopted or implemented unless specifically approved by the Chief District Judge or as mandated by Supreme Court Rule.

## DIVERSION

1. (a) All persons charged in Kenton County with the commission of a misdemeanor offense shall be eligible for participation in the Diversion Program, as an alternative to criminal prosecution, subject to the following conditions and exceptions: (i) A prior conviction for a criminal offense (felony or misdemeanor) shall preclude eligibility--convictions for violation of traffic regulations (i.e., KRS Ch. 186 or 189) shall not preclude eligibility; (ii) A person charged with a violent/assaultive crime shall not be eligible for participation in the Program; (iii) A person charged with a violation of the public trust (i.e., KRS Ch. 522) or with a crime of long duration shall not be eligible for participation in the Program; (iv) A person charged with the violation of traffic regulations (i.e., KRS Ch. 186 or 189) shall not be eligible for participation in the Program; and/or, (v) A person who has previously participated in the Diversion Program of Kenton County or of any other jurisdiction within or without the Commonwealth of Kentucky shall not be eligible for participation in the Program.

(b) However, where a person is charged with an offense of public intoxication (i.e., KRS Ch. 525.100) who has one or more prior convictions for alcohol related offenses, and where it appears from the person's record and history that his/her criminal activity is related to the disease of alcoholism, that person will be considered eligible for participation in the Program notwithstanding his/her prior convictions.

(c) And, where reasons of an extraordinary nature are presented which warrant consideration of a person for participation in the Program, notwithstanding his/her lack of eligibility by virtue of one or more of the above set out exclusions, that person may be considered eligible for participation in the Program.

(d) Each case will be reviewed by the County Attorney and the Trial Judge, on an individual basis, and eligibility or non-eligibility determined according to the above criteria. Participation in the program will be on a voluntary basis only, and the accused's consent must be obtained prior to inclusion.

2. A diversion report shall be presented to the Judge and the Prosecutor on each eligible candidate for final approval. The report will contain the basic pretrial information, record of any past offenses, employment status, length of residence in the area and other information necessary to determine eligibility.

3. Upon tentative acceptance of the accused into the program by the Judges and Prosecutor, the accused, after consultation with an attorney, must sign a statement that he will waive his/her right to a speedy trial.

4. The accused will meet with a Diversion Officer to establish and agree to a formal contract which will specify the conditions required, the referral services to be used, the length of the contract, and the need, if any, for the accused to make required restitution or public service work substitute. The contract shall be presented for final approval to the Trial Judge, and upon its final approval, the accused shall be accepted into the program and the terms of diversion shall commence.

5. The normal contract on each accused will be for a period of 3 months or 6 months, unless under ordinary circumstances the contract period is lengthened by the Judge following a special hearing at which the reasons for extension and the accused's objections are heard and considered. In the instance of public intoxicants diverted to detox treatment and similar non-ordinary diversion procedures, the length of diversion and use of a written contract will be considered individually and may be waived by the Court.

6. The Divertee must comply with all the provisions of the diversions contract. Violation of contract provisions will subject the individual to termination of diversion participation.

7. At any time the Divertee may voluntarily choose to be terminated from the Diversion Program by submitting a written statement indicating same. Where the termination is prior to the expiration of the contract period and without the consent of the Diversion Officer, the Diversion Officer shall refer the case to the County Attorney for prosecution. If the accused does not comply with conditions of his/her diversion contract, a formal Court hearing will be scheduled before termination of the accused from the Diversion Program and the accused will be given full opportunity at the hearing to present relevant proof. The Trial Judge, after consideration of all relevant proof, shall enter an order terminating the accused's participation in the program or direct the resumption of the divertee's participation in the Diversion process and reinstatement of the Diversion contract, with any modifications ordered by the Judge. As with the original Diversion contract, the accused must agree to the contract modifications, if any, prior to reinstatement.

8. Upon termination for non-compliance after a special hearing, the County Attorney may initiate prosecution of the accused upon the original criminal charge(s).

9. Upon successful completion of the Diversion contract the formal criminal charge, out of which the Diversion contract arose, shall be formally and fully dismissed, and all official records of said charge shall bear the notation that said charge was dismissed with prejudice.

10. The consent or approval of the arresting officer or victim of the alleged crime, giving rise to the charge against the Divertee, is not required for acceptance of an accused into the Diversion Program. However, the arresting

officer and/or victim must be advised of the accused's recommended participation in the Program and afforded an opportunity to comment, in writing, prior to acceptance into the Program. Such comment, if any, shall be considered by the Trial Judge in determining acceptance into the program. Further, the arresting officer and/or victim shall be advised of the Divertee's completion and satisfaction of the Diversion Contract or the Divertee's termination for violation of the Contract.

11. Participation by an accused in the Diversion Program shall not constitute an admission or presumption of guilt of the crime charged, shall not be proof of guilt in any subsequent legal action nor shall a Divertee be required to give and confession or admission of guilt. However, nothing contained in this paragraph shall alter or affect the Divertee's obligation to perform all the terms of the Diversion Contract, including restitution where agreed to. And, an objection to the Diversion Contract, or any term thereof, premised upon its implication of guilt shall not be valid and shall be of no merit.

12. Records of the hearing procedures and statements made during the hearing shall be privileged and shall not be admissible or discoverable for any purpose. However, the records and accumulated data respecting the mediation program may be utilized for the purpose of monitoring and evaluating the program.

13. All records of the Diversion Program shall be privileged and exempt from subpoena and will be deemed confidential except for the program staff and the Chief District Judge for purposes of program review and supervision and will be released to no other person or agency without the written consent of the parties to the dispute or as provided in paragraph 12 above.
